Engage

We have an exciting new way for you to submit your offerings and support the ministries of Olive Branch. It's called Engage Online Giving and it works on <u>all</u> of your devices. It's safe and secure and easy to use. The Engage system allows you to:

- Schedule a future gift date
- Select the fund for your contribution, i.e., General Fund or Easter Offering
- Schedule recurring gifts (for example, to pay your contribution to every month or automatically pay your tithes at a time of your choosing)
- See your giving history for the last year or more
- See all future scheduled giving
- Store your contact information and one or more bank or credit card information so that you don't have to enter this information every time you make a gift

We encourage you to try Engage for your next donation. If you need help, please contact Jim Hunt, jhunt1putt@aol.com or David Love, dlove968@cox.net.
